Table of Contents

**Instant Free Funded Account** if you are an individual who wishes to try out the Forex market without the need of investing hard-earned money into it, the Shark Funded $1000 Instant Free Funded Account is an option worth your consideration. This offer is mainly designed for traders who wish to get started trading without having to spend money upfront on account activation fees. In order to apply for a $1000 instant funded account, clients need to provide the details of their previous trading experience or funded account history.

## How to Claim the Free Funded Account

To apply for the Shark Funded Free Funded Account, just follow the steps stated below:

Go to **Shark Funded**'s website and register a new account.
Log in to your dashboard.
Click on the three-dot menu in the account dashboard.
Scroll down to the bottom and click on the Free $1K Account.
Fill out your application form.
Provide proof of any previous funded account violation or other prop firm payout.
Wait for the Shark Funded team to work through your application.
As soon as your application is approved, a $1,000 grant will be deposited directly into your account. Create an account with Shark Funded.
Fill out the application form correctly.

Provide identification as per the request.
Provide proof of violating your funded account in the past or receiving a payout from another proprietary company.
Meet all verification criteria.
You will need to comply with the firm's regulations during the application evaluation.

## Terms and Conditions

Remember the following points before making an application:-
The Free Funded Account availability is limited.
Only qualified applicants will be granted the account with funds.
Shark Funded can demand additional documents to verify your identity.
Your application can be rejected because of its incompleteness or errors.
Making several applications or fraudulent ones will lead to disqualification.
The trading rules, levels of profit you are expected to reach, limits of drawdown, and rules of payments will start being applied once the account is acquired.
Shark Funded has the right to change or stop the promotion at any time.

## Final Thoughts

The Shark Funded $1000 Instant Free Funded Account is a great opportunity for experienced traders who want to get a free funded account without buying a challenge. If you have some proof of a payout made before or a prop firm account that has been breached before, you may be eligible to apply. Your application should be based on the most recent details of the promotion, eligibility, and trading rules.
